Chase Wall Rack

Designed by Michiel van der Kley, Chase wall racks are playful. Coats seem to disappear on the hooks which are hidden inside of the rack, hooks are available in a variety of colors.

TUBULUS 80 HANGER

Tubulus Wall Rack

Designed by Maxime Szyf & Gerard Kerklaan, Tubulus wall racks offer a striking yet neutral appearance that goes with any environment.

Wings Wall Rack

Designed by D-Vision, with or without coats Wings has a very unique look. The hangers can be rotated to allow the rack to be placed in tight places.

Tubulus Hanger

Made of laminated beech wood and a unique stainless steel double wire, which forces the hanger to remain perpendicular to the hanger rod to give a more uniform look.
